

Roses Roasted Rye

Any doctor will tell you that it has within itself more of the elements which go to make up a perfect food than any other cereal, not excepting wheat.

It is the one natural food which has just the proper amount of starch in it to produce energy without troubling the digestion.

It is the one cereal which has natural laxative properties, where most all others are astringents.

It is the one cereal which has in it all the sources of brain energy, fitting it to be the food for the student and brain worker, the food which not only digests rapidly and is ready to make bone and tissue within an hour after it is eaten. It helps the digestion to take care of all other food. Try it.

IT'S A GO; THE FAIR

The fair directors will meet Tuesday afternoon with C. N. Bassett, who has been selected president of the association, and the active campaign for the big fall fair will be mapped out.

The necessary funds for the fair have been subscribed and with Mr. Bassett as president and a man on the job as secretary, the fair will begin to take definite form. It is the intention of the directors to start the fair off with a rush on the first of July and, with four months in which to complete the arrangements for the big exposition, it is expected to surpass the initial effort of last year.

CHARLTON MAY NOT BE EXTRADITED

Government Is Now Considering the Case of the Wife Murderer.

New York, N. Y., June 28.—Porter Charlton's case now awaits the result of exchanges between the state department of Washington and the Italian government. His counsel today in asking that a formal arraignment be postponed, promised that no effort would be made under habeas corpus, insanity or other proceedings to take the prisoner out of the hands of the New Jersey authorities pending an adjourned arraignment which was set for July 2.

Meantime it is expected that a decision will be reached whether Charlton will be delivered to the Italian authorities on extradition proceedings.

Instant Relief for Sore Feet

Sore Feet, Tender Feet and Swollen Feet Cured Every Time. TIZ Makes Sore Feet Well No Matter What Ails Them.

Police men all over the world use TIZ. Police men stand on their feet all day and know what sore, tender, swollen feet really mean. They use TIZ because TIZ cures their feet right up. It keeps feet in perfect condition. Read what this police man has to say: "I was surprised and delighted with TIZ for tender feet. I hardly know how to thank you enough for it. It's superior to powders or plasters. I can keep my feet in perfect condition. Believe in my earnest gratitude for TIZ. I am a policeman and keep on my feet all day."

—Emmy Harrell, Austin, Texas.
You never tried anything like TIZ before for your feet. It is different from anything ever before sold. TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous exudations, which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again or draw up your face in pain and you'll forget about your corns, bunions and callouses. You'll feel like a new person.

TIZ is for sale at all druggists at 25c per box, or it will be sent you direct, if you wish, from Walter Linder Dodge & Co., Chicago, Ill. Recommended and sold by Knoblauch Drug Co., Inc.

AUTO RUNS INTO CREEK IN INDIANA

One Man Drowned and Five Injured—Were Racing Interurban Car.

Chicago, Ill., June 28.—One man was pinned under an automobile and drowned and five others and a young woman seriously injured a few miles from Hammond, Ind., early this morning when a car plunged into a creek. Peter Ripley, of Hammond, was drowned. The injured included Irving and Frank Betz, Jr., sons of a millionaire manufacturer of Hammond. Irving was driving the car and racing with an interurban car. He lost control of the machine, and the car plunged from the road through a fence and turned turtle in a creek.

MAJESTIC THEATER THURSDAY. SANTA FE WATCHMAN AND EMPLOYMENT AGENT FIGHT.

Altercation at Union Station Causes Arrest of George W. Troutman and Eugene V. Mitchell.
George W. Troutman, watchman for the Santa Fe at the union station, and Eugene V. Mitchell, of the employment agency of Fall & Mitchell, engaged in a verbal controversy and a personal encounter at the union station Tuesday morning just prior to the departure of the Santa Fe train No. 816, for the north. Troutman was struck by Mitchell's fist and Mitchell received a painful scalp wound from a six shooter wielded by Troutman, who has but one arm.

Mitchell brought a gang of Mexican laborers to the train to be shipped out of the city and found that Troutman had not been made for them. A rival agency was also shipping out a gang of Mexicans and Mitchell is said to have upbraided Troutman for not making reservation for his laborers. Officer Will Ford intervened and arrested both men on a charge of fighting. They were taken to the police station. Troutman lost his arm several years ago while a freight conductor on the Santa Fe.

Both men when taken to the police station and into police court for trial, expressed themselves as sorry the thing happened and said they were willing to be friends. Under the circumstances Judge Lea released both.

FOUR MEXICAN GIRLS ARE ARRESTED FOR JOY RIDING.
As a result of a joy ride in a one-seated buggy with one poor horse hauling the entire load, four Mexican girls wound up in jail about 4 o'clock Monday afternoon on charges of being drunk and disturbing the peace. Officers Haynes and Davis made the arrests.

In police court Tuesday morning officer Haynes stated that the girls were scawing the horse all over East Overland street; that one of them, Concha Moreno, fell out of the rig and the wheels passed over her. She was not injured however. At police headquarters they continued to raise a disturbance.

Concha tried to beg off on account of a sick baby she had at home. Judge Lea said she was in pretty business, being out that way with a sick child on her hands and entered a fine of \$5 against her. Marie Collis received the same fine.
